Newsletter of the Global Network: "Child Support Worldwide"

Dear network members and child support experts all over the world,

SAVE THE DATE

[The Permanent Bureau of the Hague Conference on Private International Law](#), through its Asia Pacific Regional Office, will hold a **Global Conference on the 2007 Child Support Convention in Hong Kong from 9 to 11 November 2015**. The Conference will provide an opportunity for follow-up on the 5 to 8 March 2013 Heidelberg Conference on the International Recovery of Maintenance in the EU and Worldwide, further building a global professional network and consolidating learning from the 2013 event.

The event is jointly sponsored by the Hague Conference and the Department of Justice of the Hong Kong Special Administrative Region of the People's Republic of China, in collaboration with a number of other partners.

As was the case at the 2013 Heidelberg Conference, there will be exciting academic and hands-on workshops and lectures. Furthermore, this Conference in Asia will not only give insight into the dynamic development of family policy and family law in the region, but also represents an excellent opportunity for key players in the field from throughout the world to meet colleagues, make new contacts, expand networks and fill knowledge gaps.

We will circulate the conference program and further details in forthcoming newsletters. But for the time being, please:
